		Secretary

2.2.3.1 Meeting: Twice a year, the Chairman may call additional meetings, if needed.

2.2.3.2 Sub-Committee: Sub committees may be formed for cyclone warning, flood forecasts, earthquake risks, and participation by the people. Experts may be co-opted in the respective sub committees after formation and selection of the Chairman.

2.2.3.3 General Responsibilities:

- 2.2.3.3.1 Advise NDMC, IMDMCC, MoFDM and DMB on technical matters and socio-economic aspects of Disaster Risk Reduction and emergency response management.
- 2.2.3.3.2 Alert the Committee members about the risk of disaster and mitigation possibilities and encourage them in respect of workshop, training and research.
- 2.2.3.3.3 Create a forum for discussion by experts on the risk of disaster, opening opportunities for cooperation towards solution of problems relating to disaster management.
- 2.2.3.3.4 Recommend release of funds for special project works and also for introduction of special emergency methods or empowerment, if needed.
- 2.2.3.3.5 Recommend solution of problems identified by the DMB or any other agency/person.
- 2.2.3.3.6 Propose long term recovery plans.
- 2.2.3.3.7 Hold post-mortem or prepare final evaluation on programmes undertaken to meet the disaster and
- 2.2.3.3.8 Submit a report with recommendations to the NDMC.
